Introduction (and fourth of coverage):

From 18 years old to almost 60 years: 42 years of an orphan's inquiry !

It is Wladimir's " hardly credible " history, orphan from the age of 4 years, which invests his son's life : since 18 years old, to find his Mom, PERLA ZANDT and his roots and his maternal family, lost from 1945 !

1940 : WLADIMIR, the PERLA's Son is born in 1940, in the french Rivesaltes-Argelès's internment camp, near Perpignan, in the south of France, near the Mediteranea see... near the « Côte d'Azur »...

A cold December night, in a building ruin : neither heater nor warm water...

1944 : WLADIMIR is an orphan from the age of 4 years. Due to Paul TOUVIER, the franco-nazi well known, who arrested PERLA on June 13, 1944...in the Tilssit Synagogue, in Lyon, in french free-part, non occupied...
PERLA is deported by Drancy on July 31, 1944. By the last convoy! N ° 77... Where from she does not return ! Leaving her WLADIMIR, completly alone... At 4 years only !

1945 : at 5 years, his Uncle, Morris ZANDT, the PERLA's Brother , New Yorker, wants to adopt WLADIMIR, his Nephew !
The file of immigration is complete. But WLADIMIR is collected by a French family. Sterile family !... Family who give birth to a girl, one year later !...
The social workers " lose the track " of WLADIMIR, the orphan separated from his american maternal family.

1954 : at 14 years old, during a school exam, WLADIMIR discovers his real identity: WLADIMIR ZANDT ! Bus, since the age of 5 years, he is called Guy B.... Illegally ! His "relatives » teach him, unceremoniously...that he is an orphan! That they are his " adoptants "... Without other details... WLADIMIR is only 14 years old...

Rough shock for a teenager... But he survives! Although already suicidal... During one year, he lives, aroused, a obsessional daily nightmare :
" Mom, which is your face?... " And to this God who was imposed on him :
" Why to make me that to me , and not to the other children? ".
No answer neither from the priests, nor from the adoptants!

1956 : at 16 years old, he discovers his judaïc origins and the murder of PERLA... He reads the " Chronicle of the Warsaw's Ghetto "...
He listens, every day, his only vinyl disc : " The AUSCHWITZ's song of the Deaths " (in Hebrew !).

1958 : at 18 years old, from the agricultural training school where the adoptants locked him , he writes all over the world...To understand ... To inquire... To find this family about which he does not know anything. Because the file of archives is stolen from him , by the civil servants, until the age of 58 years...

From 1970, he is 30 years old, executive in a large european company, his engineering degree « in pocket »,
studies which his " adoptants " refused to him, although his situation of « Pupil of the french Nation » studies which he must finances with a personnal credit bank,
he crosses Europe in search of survivors, witnesses, who are going to make to him discover the course, the hell which PERLA undergo in France between 1940 and 1944: from Belgium to Argelès, from Argelès to Rivesaltes, from Rivesaltes to Lyon, from Lyon to Drancy
...and from Drancy to Auschwitz !...

During 42 years he reconstitutes the french Cross of PERLA, collecting 600 photos (Warsaw, Argelès, Rivesaltes,), 300 french archives which access was forbidden to him (!) and 15 surviving witnesses, of which his Midwife, who at 97 years old (!) , tells him his birth " in live ".

Course where he discovers what PERLA undergoes, between 1940 and 1944, on the French ground: thefts, rapes and, to finish, the murder, with the complicity of the french civil servants co-workers...

1999 : at 59 years old, he discovers, finally, his own archives (1944-1958), 70 « forbidden » documents which the civil servants hide from him since 1954... With the complicity of his adoptants...
Letters from MORRIS ZANDT, his Uncle, which were him dùes from his majority, in 1961 !...

2000 : at 59 years old, it is the " Internet Miracle": Carol, the one that would have dù to be his Sister... She sends to WLADIMIR, the first email, in american, since California.

She sends him at once dozens of photos: those of his Mom, child, teenager and adult, photos of his Grandmother, photos of his Grandfather, photos of the Big Rear Relatives, of his Uncles and Aunts... All the family in an envelope. In 59 years! Photos from his family in 1870...

Wladimir is 60 years old... He discovers, finally, his true maternal family!... The PERLA's family, PERLA his Mom !
Having been agreed by the President of the french Appeal Court, facts confirmed by the well known « Pierre DRAI Commision for spoliations ». Jwedishes spoliations 60 years sooner !...
The difficulties of the french memory, the « french free country » ...

French, american press, radios, Internet, TV programms are interessted in that « case », that sacrificed life... Finally!
WLADIMIR, Journalist, Writer, Consultant for Managers lives today near his roots, his family : America and in Israel (GAASH Kibbutz)...and in France, the least he can...

Yes, a Mother, is immortal ! (1)

She waited for a daily appeal...
And it was only the day before chabbat that I gave her this draft of oxygen.

- *« Then my son, you forget your mother!*
- *You know mom, the work, the kids ...*
- *Yes I know, and that God blesses us and blesses every child from Israël,*
- *but takes advantage of your mother,*
  the day when I shall not be any more there... «

Stupidities, for a child, a Mother and always immortal... !...
...

And, without shouting station, on the toes, as not to disturb too much ,
the mother goes away. And one remains with his remorse not to have known how to take advantage.
...
... To us to immortalize them through our memory.

This loss is all the more big as often one becomes attached more to the absence, heavy to carry, for do not known to hold the one that one let spin between our fingers, the day when one wanted to close the hand to hold her .

They are maybe intrusive,
but their silence is it even more, especially in the morning when one forgets to cover himself.

And when one catches expressing to our children the same litanies as her,
one says to himself with fear and dismay that history repeats, ...
But is it the evil ? ...

Dear Readers, women and men,
Dear Relatives,
Dear children,

And you the Educators,
And you the Academics

Sorry for offering this present at first to PERLA, my Mom,
my work of memory, which is dedicated to her, first,

Which is dedicated to you, too
so that you never forget PERLA, my Mom ...

Work of memory writes with a pen
whose feather has the shape of a dagger !

To you, my Mom, my PERLA, my murdered Ima,
thanks a French - Nazi co-worker, Paul TOUVIER,
in LYON, France (in free country, non occupied by german army),
Tilsitt Synagogue, Tilssitt Quay, on June 13, 1944...
I was only 4 years old !

American friends:

your dear Children, on June 13, 1944,
when they arrived to release France...
Arrived to be killed !...

Damage, PERLA did not had chance to see your Children arrived !
You and your Sons, my american family,
to attend the dispersal of the savages:
the Nazis and the French – Nazis !

Open letter to PERLA, my murdered Mom....

Beloved Mom, my Ima (1),

There are just 60 years, kept silent created me, to Elne-Rivesaltes, near Perpignan, far from Warsaw, far from New York, where lives your Brother, MORRIS under the fond eyes of Edith WILD, Elisabeth EIDENBENZ and FRIEDEL REITER BOHNY, the AUGUST's wife ...

... Voluntary Swiss Nurses of CRS Helps to the Children - and of their Moms - victims of the French - Nazis, In this French camp of « French internment » in free zône, not still occupied by German-Nazis, camp installed near the cyties and villages where live some French, blind witnesses not to see and brave in their silences ...

French camp among the others, one of the dozens of anterooms before DRANCY-AUSCHWITZ installed near the French houses!

French internment camps of the free zone of the South of France : CAMPS OF THE FRENCH SHAME !

Here are 60 years, after your pains of young Mom, my work of memory .
Of your memory. Of our memory in both, common memory. Memory of a destroyed couple... Couple in how much crowned, to the civilized peoples. Couple bound by love: a Mother and her Child!

Work of memory begun from the age of 18 years, 42 years ago, due to Christiane and André, my « spirituals » relatives, cultivated and honest, relatives I have choosed, against the will of my " false relatives ", those even which stolen me from my american maternal family ...

Godfathers and Godmothers who learned me, at the age of 16 years, against the French Social workers, civil servants and my " false relatives " our tare: our Jewish origin ! And the conditions of your murder due to Hitler and his friends, the French-Nazis ! ...

Then at 58 years old, one year ago only I discovered my maternal archives which were stolen from me from my majority (21 years old, in 1961...).

Stolen file, where I discovered inside, the illegal adoption of a French and catholic couple assisted by administrations under custody of 4 French Ministries of 1946 ...

While my maternal Uncle, your Brother MORRIS, had supplied to France, 2 affidavits, certificate of his employer, his insurance policy, with the ticket of my crossing towards New York ...

File which my allowed to find, at 60 years old, my true maternal, American family after one year of search on Iinternet
and 56 years of total solitude, without family, family dùe to every child! ...

This work of memory, I had to make him for YOU at first, for me then, and my for ever destroyed health from the age of 5 months effects of this military and police war against us, the Jews from 1940, decided by the french government !

Work of memory of 42 years, to release our common hatred, accumulated since 1940, for 60 years, since French collaborated with the Nazis to murder you to AUSCHWITZ!

Work of begun inquiry 42 years ago, when I was only 18 years old only, to be able to educate generations to come: the relatives, the children and their children and their teachers...

And to inform the whole world, any religions, races and confused political tendencies ...
To inform America people of French realities so that my maternal family informs american media ...

So that the whole world never forgets which adorable Mom, which magnificent Ima you were when I had only 4 years old ! In Lyon. In France !

That the Humanity do not ever forget that France, that Paul TOUVIER, French sadist, separates us for ever, me leaving alone, only on this quay Tilsitt, in Lyon at 4 years old, (France), on June 13, 1944
one week later that the Americans get the Norman beaches
to release French country then concentration camps!

So that your name is known, for millenniums to come.

So that your name never falls in the neglect, in this world where so many passive, French threads of French dumb witnesses from 1940 till 1944, little courageous eyewitnesses but sometimes covered with decorations ...

Frenchmen always ready to advise me to turn the page ...
To make forget me the shame of the behavior of their fellow countrymen, their nation, of their "noble" homeland (?).

Due to this testimony, this book of an orphan, your WLADIMIR, your Child, book with a CD rom !

Child wildly punished for being your Son, because Solomon and Sheba, your relatives , my grandparents, because I like, of a grandson's real love, proud of them ...

Two courtship of Grandpa and Grandma of whom I was deprived, and of whom I discovered their photos, their loved loved, that at 60 years only !

Your child wildly, catholictly punished because Solomon and Sheba, my Grandpa and my Grandma ... were Jewish simply ! Sinned seriously!

Quality which made two of the respectable beings ... Even when the Nazis their washed the pavement, with a toothbrush, in knees, in 60 years in Warsaw's Ghetto ...

60 years, my age today !

60 years only a life wasted for ever but saved with a treasure hidden in America : my found family after months of searches on 1000 Internet sites... Searches of night-searches, on my inhabited nights of this cauchemards which accompany me since my childhood....

My present, to you readers, your children and their teachers (american, french, ... and german):

600 photos 300 documents of « prohited frech archives » and 15 surviving witnesses who speak of which my midwife (97 years old), whom told me, " in live " my birth, in this cold night of December 30, 1940, at 2 o'clock 35, in this building in ruins without warm water or heater, close to the Argelès-Rivesaltes's French internment camp,

my nurse too, these numerous volunteers of the Swiss red Cross help-assistants to the children victims from the French – Nazis and all these social workers and this civil servants, who participated, criminal empoyees, to my abduction in 1946...

Yes, Mom, the Shaoh always threatens us!

Dear Readers and Readers, Relatives and Children:
To facilitate your reading of this Saga, here is summary as sober as possible ...

PERLA and WLADIMIR. Short-lived, too short-lived couple.

Which crosses time and space, too quickly , between 1940 and 1944...
So loving, loving couple, as the passers - by turn around on him...

Jealous people !

This magnificent couple, which shines. This innocent couple... This mother and her son, conceived in the love, street Franciskanska near the future council of the eviction of the Jews, in full Warsaw's Ghetto.

Couple flooded in this rain of yellow stars. Couple where from steams of happiness emanate which embellish the greyness of Lyon in 1944 ...In this period of French - Nazi collaboration. Couple so happy which, regrettably crosses French: French, collusive Paul TOUVIER, among the others, " Authorities » of occupation as call them the french-nazi Vichy's Government ...

This French which comes to desecrate a sanctuary: the Synagogue TILSITT, in the city of Lyon. Free zone in the non occupied french area... On June 13, 1944...

The French police organizes the deportation of PERLA ZANDT, to Drancy, where she undergoes thefts and rapes of french uniforms and a search, on July 4, 1944, under the eyes of the dumb witnesses, who live in the nearby buildings ...

Before rising in this cattle wagon, of the French national railway company,
On July 31, 1944 for AUSCHWITZ ... Convoy 77. The last one !

The Americans liberators arrive, finally! Too late!

The French civil servants: justice, social work and the family of reception, sterile family, fed with the money of the American families, the American JOINT... organizes the removal, the rapt of WLADIMIR, the PERLA's Son with perjury and false documents!

Under the maternal Oncle's eyes, MORRIS ZANDT, who lives In New York ... Who supply to the French administration 2 affidavits, proof of his solvency ...And the ticket of the journey towards New York, towards the real maternal family of WLADIMIR !

France country which was imposed to me : I do not love either your lies nor your nationality. You stole me my most beautiful years: those that I would be abble to live with Morris, Emma, Carol, Michael ! My real maternal family !
Family which would have been able to tell me how we lived in Warsaw with our Grandparents!

My vengence: in 2000, my meeting with my maternal family, by using INTERNET ! Severals months . A lot of nights ! Due to Carol, my Cousin who would have dù to be my Sister, my true Sister...who answered me by email ! Thank you Carol. You with whom I would have been able to learn American language...

Real maternal family with whom I communicate by @mail, by telephone, Adorable relatives who wait for me, in the USA, in their home , America where I would be abble to live since 6 years old ! American !
Nationality which my stolen: by France!
